Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally identifiable information' (PII) is being used online. PII is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

What personal information do we collect from the people that visit our blog, website or app?

When registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site, take admission, fill out a form or enter information on our site.

How do we use your information?

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To personalize user's experience and to allow us to deliver the type of content and product offerings in which you are most interested.
- To improve our website in order to better serve you.
- To allow us to better service you in responding to your customer service requests.
- To administer a contest, promotion, survey or other site feature.

How do we protect visitor information?

We use vulnerability scanning and/or scanning to PCI standards.
We use Malware Scanning.

We do not use an SSL certificate

- We do not need an SSL because:

We are not doing any money transaction through our site.

Do we use 'cookies'?

We do not use cookies for tracking purposes

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser (like Google Chrome) settings. Each browser is a little different, so look at your browser's Help menu to learn the correct way to modify your cookies.

If you disable cookies off, some features will be disabled that make your site experience more efficient and some of our services will not function properly.

However, you can still register your name or make queries.

Third Party Disclosure

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information unless we provide you with advance notice. This does not include website hosting partners and other parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property, or safety.

However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Third party links

We do not include or offer third party products or services on our website.

Google

Google's advertising requirements can be summed up by Google's Advertising Principles. They are put in place to provide a positive experience for users.

<https://support.google.com/adwordspolicy/answer/1316548?hl=en>

We have not enabled Google AdSense on our site but we may do so in the future.

Children Online Privacy

When it comes to the collection of personal information from children under 13, our Children's Online Privacy Protection system puts parents in control. We spells out what operators of websites and online services must do to protect children's privacy and safety online.

We do not specifically market to children under 13. But, the children aged group below 13 may also visit our website, because there is no matter which can adversely affect the children.

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in India and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:

We will notify the users via in site notification within 7 business days

CAN SPAM Act

The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

We collect your email address in order to:

To be in accordance with the law and we agree to the following:

If at any time you would like to unsubscribe from receiving future emails, you can and we will promptly remove you from **ALL** correspondence.
